Potential Donor,

The Atchison County Library is excited to announce the *Books and Breezes Kite Show*, a fundraising event to support the construction of our new library and community center. This event will be held on August 9th, 2025, at the Gould Peterson Memorial Airport in Tarkio, made possible by The Great American Kite Company.

We're asking for your support by becoming a sponsor to help us create a vibrant, family friend event in Atchison County. Though our new construction project will be largely funded using the library's reserves, it's important to us to reach for the sky, as they say, on how wonderful we can make this new library. Your support will contribute to building a larger library with triple the shelf space, a dedicated children's area, an indoor walking path, and a communal gathering place for all ages. We truly believe building a stronger foundation of learning, literature and technology for Atchison County will have a long lasting, positive effect in our community.

We are offering several sponsorship levels for the *Books and Breezes Kite Show*, which is attached on a separate page. Donations of any amount are also accepted and are tax-deductible. If you are interested and would like further information, please reach out via email or phone.

For more detailed information on each sponsorship level and to make a donation please call Director Jennifer Roup at 660-744-5404

Your generosity will directly contribute to the realization of a new library and community center that will serve Atchison County residents for years to come. Thank you for your consideration and support.

Sincerely,

Jennifer Roup  
Library Director  
Atchison County Library
