

# our mission

---

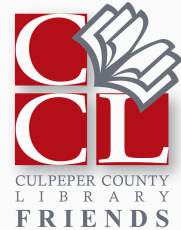

The Culpeper County Library Board & staff improve the quality of life in our diverse community by supporting educational, informational, & leisure needs for all.

## Your Support

Culpeper County Library is fortunate to have support from the Culpeper Library Foundation, which exists to help fund large purchases or future development.

The Friends of the Culpeper County Library sponsor ongoing projects and activities to benefit the Library and its patrons, and underwrite expenses for Library programs, including Summer Reading.

If you would like to be involved or to make a monetary contribution, please pick up a Friends of the Library brochure at the Circulation Desk or talk to the Director.

Annual membership to the Friends of the Library is \$10 per person or \$15.00 per family.
