

# Greenup County Public Libraries presents Great Shows for Libraries!

Three different shows in one day! July 8th

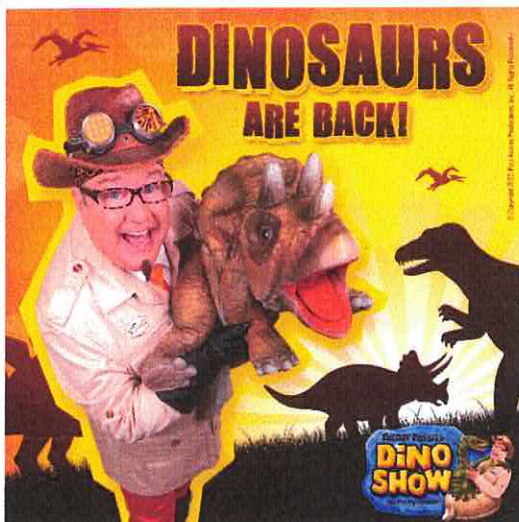

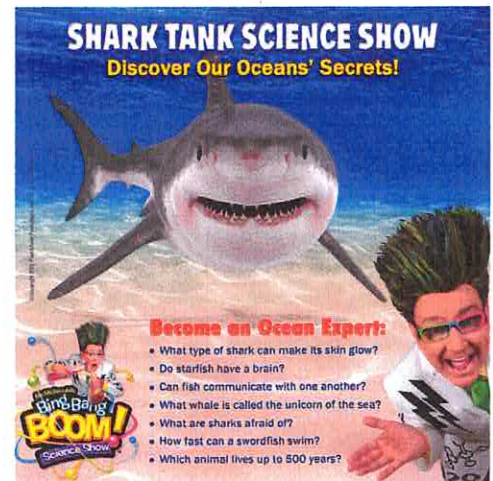

**McKell Branch 11:00**

**OCEANS OF FUNNY** Comedy Magic Show  
With a jolt of comic energy, **TRICKY MAX** presents a lively and highly visual educational magic show designed for kids who want to learn more about the ocean's creatures—from the wiggly weird to the cute and touchable. You'll want to see it more than once!

**Greenup Branch 1:30**

**Get SEA-RIOUS About Science!!**

Mr. Molecule takes young audiences deep beneath the waves to meet some of the most amazing and usual creatures on the planet. Fast paced and filled with the kind of comic audience interaction kids love, **The Shark Tank Science Show** is a perfect mix of comedy, puppets, science, and learning!

**Flatwoods Branch 6:00**

**Freddy Fossil's DINO SHOW!**

Dinosaurs are the original ROCK STARS! Fun and laughs happen fast in this one-of-a-kind hilarious show. With amazingly, life-like dinosaur puppets and lots of comical audience participation, **Freddy Fossil** helps kids and their parents discover why "it stinks to be extinct." It's "pre-hysterical" family fun!
