

Olympic Day at the Library Park.

Celebrating the 2016 Olympic Games in Rio, Mrs. Mary Anne Dunphy, 6th Grade teacher from Washington School, put together an exciting program for the Summer Reading Groups, at the Library Park. Children participated in different games: hula hoop races, potato sack races, water balloon toss, culminating with a relay race around the park.

Mr. Kolakowski, Miss V. and Miss Matthewson, volunteered their time to help out.

Also helping, was Kayla Lucas, Isha Mahat and the kids from the Young Adult Reading Group.
