DEEP BLUE SEA

I took a dive into the deep blue sea

So many creatures swam past me.

Father seahorse taking care of his young

A humpback whale a lovely song he sung.

A playful dolphin, frolicking about

An old sea turtle with his head poked out

A shark came by with his teeth so white

I swam real fast, til he was out of sight.

SHARKS ARE REALLY FISH

They're scary and they're creepy

They're never ever sleepy

They swim out in the deep sea

Sharks are really fish.

Watch out for sharks (snap snap)

Watch out for sharks (snap snap)

Watch out for sharks,

Watch out for sharks

Watch out for sharks (snap snap)

Rough and scaly is their hide

Their tails move left to right

With gills on either side

Sharks are really fish.

Watch out for sharks (snap snap) etc.
