Introduction

A ***Pathfinder*** is a guide to the literature and resources in a particular subject area. It is a subject-oriented research guide designed to encourage researchers a self-directed use of the library.

The Humanities Section provides pathfinders basically to support students and faculty in their search for recorded literature and resources available at the USC Library System and accessible on the Net.

Should you have comments, questions and suggestions on this pathfinder, please contact the Humanities Section 2300.100 local 197 or email at humanities.uscblrc@gmail.com
