PATHFINDER :
MANAGEMENT ACCOUNTING

www.library.usc.edu.ph

February 2015

A Pathfinder is a guide to the literature and resources in a particular subject area. It is a subject-oriented research guide designed to encourage researchers a self-directed use of the library.

The Bernard Bonk Library provides pathfinder basically to support students and faculty in their search for recorded literature and resources available at the USC library System and accessible on the net.

Should you have comments, questions and suggestions on this pathfinder please contact Bernard Bonk Library at 2531000 local 126 or email to uscbernardbonklibrary@yahoo.com

Keyword: Management Accounting

Scope Note: the provision of information required by management for such purposes as: (a) formulation of policies, (b) planning and controlling the activities of the enterprise, (c) decision-taking on alternative course of action, (d) disclosure to persons external to the entity (shareholders and others), (e) disclosure to employees, (f) safeguarding assets. Management accounting is regarded as including long-term planning, budgeting, profit planning, financial accounting, cost accounting, financial control, treasurership and internal audit. (<http://accountingdictionary.org>)
