NEW CHANGES

This summer break the library staff reorganized the main floor of the library. Books were culled and shelving space was replaced by open seating areas, and study carrels that were placed along the wall for more private study. The children's section was also relocated, and a *New Book* section was placed next to the stairs. Come by and look and let us know what you think. There is also a QR code at the entrance of the library to leave helpful suggestions, or email us at library@truett.edu

NEW DATABASES

Two new databases have been added to the library's online resources. *Credo Reference* and *Theological Research Exchange Network (TREN)*. Both these resources provide access to over 15,000 new titles.
