

The StorybookSMASH Family Literacy Program is designed to help families come together through reading. It is designed for families with children aged 6-11, but programming will be available for younger siblings and optional chapter book reading will be available for older siblings. The program is eight weeks long, and we ask that families that register do their best to commit to attending all eight programs. Each week, check-in begins and dinner will be served from 6:30-7:00 PM, followed by storytime programming at 7:00 PM. Programs generally end by 8:00 PM. All programming and food is free of charge.
